PERSONAL USE LICENSE

EarthLaunch Font License —
Typeface: Turificus Stone & Dingbats
Licensor: EarthLaunch Technologies LLC / Ruffled Pages
Effective Date: Date of Purchase

This is a license to use the font. You do not own the copyright.

1. Who this is for

One person, for non-commercial projects only.
Install on up to 2 devices you personally own or control.

2. You may

- Use the font in personal projects: schoolwork, journals, invitations for friends and family, videos, personal social posts that are not selling anything, personal blogs with no paid promotion.
- Print personal items for yourself or as gifts, as long as you are not selling those items.
- Create personal graphics, letters, and documents.
- Embed the included web fonts (WOFF2) on one personal, non-commercial website you own, with no ads, sales or sponsorships. Do not offer the font files for download.

3. You may not

- Use the font in any project that earns money, promotes a business, or is done for a client.
- Sell products that use the font (shirts, mugs, logos, books, templates, printable shops, POD, etc.).
- Use the font in a company, shop, brand, church bulletin sold as a product, nonprofit fundraiser store, or paid event material.
- Share, email, upload, or gift the font files.
- Include the font files in a template, Canva pack, app, website kit, or "free download."
- Modify and republish the font as a new typeface.
- Claim the design as your own.

If the project has a price tag, a brand, or a client, you need the Commercial License.

4. Delivery
You receive the font files listed on the product page. Files are provided as-is.

5. Refunds
Digital files are delivered immediately. All sales are final except for corrupt or incomplete files, which we will replace.

6. Termination
This license ends if you break it. You must delete the files. We may pursue misuse of the files.

7. Disclaimer

The font is provided without warranty. EarthLaunch is not liable for lost work, failed installs, or indirect damages beyond the amount you paid for this license.

Should you decide you need to purchase a commercial license or webfont commercial license, you may e-mail us at the address below.
